SNHA seeks partnership with businesses and organizations that support the river region, its communities, including their residents and visitors. SNHA's mission is to connect people to the river and engage them in recreational opportunities and heritage storytelling in order to foster stewardship, preservation and conservation in our National Heritage Area. Describe how your business/organization aligns with this mission.

Type of Class(es) to be Offered at Columbia Crossing and Description

Please include: Intended Frequency of Classes or Session Lengths and Fee (example: once weekly for 6 weeks, \$8 per class or \$40 for series). Note: Final schedule is subject to SNHA's approval to avoid conflicts.
