

TAKE A BOAT RIDE ABOARD THE CHIEF UNCAS!

Take a boat ride aboard a historic vessel!

Built in 1912, for Adolphus Busch, co-founder of the famous American beer company, to enjoy cruises at his summer estate on Otsego Lake in Cooperstown, NY, the Chief Uncas cruised the headwaters of the Susquehanna for over a century! Now, the Chief Uncas begins a new chapter in its life 400 miles downriver as Susquehanna National Heritage Area's flagship tour boat!

Come aboard our historic vessel for a 1 - hour guided tour exploring the rich history and heritage of the York and Lancaster county region and the river that connects our two counties! You will experience the joy of being on the water, hear stories of the river, view beautiful scenery and abundant wildlife.
