

Watch the Sunset over the Susquehanna aboard a historic vessel!

Built in 1912, for Adolphus Busch, co-founder of the famous American beer company, to enjoy cruises at his summer estate on Otsego Lake in Cooperstown, NY, the Chief Uncas cruised the headwaters of the Susquehanna for over a century! Now, the Chief Uncas begins a new chapter in its life 400 miles downriver as Susquehanna National Heritage Area's flagship tour boat! Check SNHA's website www.susqnh.org/boat-tours to learn more! Sunset Cruise gift certificates can be redeemed for one ticket aboard a Sunset Cruise during SNHA's 2023 boat tour season.

1.5 hour Sunset Cruises give small groups (up to 12 passengers) the chance to roam the historic Chief Uncas for a personalized one of a kind experience! Watch the boat's historic lighting fixtures light up the night as the vessel silently cruises the Susquehanna. In addition to the tour, all passengers receive their choice of a buffalo check SNHA picnic blanket or a PREMIUM 14oz cocktail glass, etched with an image of the Chief Uncas!

Did you know that Sunset Cruises are B. Y. O. B?

Use the Chief Uncas's vintage ice box to store your cold drinks and alcoholic beverages as you watch the sun set aboard our 110-year-old historic vessel. Sip out of your 14 oz. cocktail glass, deeply etched with an image of the Chief Uncas, you receive as part your premium tour!

- Each passenger boarding the Chief Uncas for a cruise during which alcoholic beverages will be served must provide their name and a valid ID at check-in.
- Kegs and straight alcohol are prohibited.
- Any and all alcohol served may only be served or distributed in accordance with applicable laws of the County of Lancaster, Commonwealth of Pennsylvania and the United States of America.
- A guest making the reservation planning bringing alcoholic beverages onboard must sign the Zimmerman Center's Alcohol Addendum at check-in before boarding on behalf of their party.

Passenger Guidelines

- Per US Coastguard recommendation children must be at least 6 months old to experience a Chief Uncas cruise.
- Passengers must be capable of navigating the boat ramp, dock, and boarding the vessel without assistance.
